

ABOUT RMZ CORP.

Incorporated in 2002, RMZ Corp. is India's leading corporate real estate developer and has set new standards in Real Estate Development. Our company motto 'Being the Change' reflects RMZ's commitment to transforming the way Indian real estate industry functions. In the past 5 years, RMZ has acquired and developed over 13 million square feet and today manages a property portfolio in excess of US\$ 2 billion in real estate value across India. In this time, we have developed an in-depth understanding of market dynamics and have been able to spot and analyze trends, thereby creating and constantly enhancing our shareholder value. We have also developed an extensive network of relationships that enable us to identify opportunities in real time and well before they reach the market. This ability has positioned RMZ as the buyer of choice for those selling assets. RMZ Corp. is committed to sustainable development and is a founding member of the Indian Green Building Council as well as a member of the US Green Building Council.

Over 70 world-class corporations such as Accenture, AOL, Airbus, British Telecom, Ford, Google, Reuters, Shell, E&Y, EDS, among others occupy work spaces built and managed by RMZ. In the past 5 years, we have excelled in the area of developing office spaces and are now committed to take our expertise into the development of homes, shopping centers and hospitality concepts.

RMZ is currently present in Bengaluru(Corporate Headquarters), Hyderabad, Chennai, Kolkata and Pune and will soon be expanding its activities to Mysore, Mangalore, Coimbatore, Kochi and Nagpur in the next quarter.

Bengaluru – The Silicon Valley of India

Improved infrastructure. A vast cost-efficient resource and talent pool. Supportive Government policies. Salubrious climate. Great social atmosphere. Excellent educational centres. Over 47, 000 engineering students. Bengaluru is the hottest IT hub in India. Little wonder, global giants like Texas Instruments, Intel, Sun Microsystems and ZILOG have set up their design and development centres here. Following their footsteps are Lucent Technologies, HP, Oracle and others from USA, Europe and Japan. Home to Wipro and Infosys, India's Global IT brands, Bengaluru also has a large number of automobile, electronics and precision-engineering plants.
